i only just turned 15  
i'm filled with hopes and dreams  
i turn my radio on and  
i hear the strangest song

I'm afraid of britney spears  
and christina aguilera  
backstreet boys and nsync  
i don't know what to think

ah woo, ah woo, ah woo, ah woo

It's slick the way they dress  
i heard they all had fake breasts  
one thing i'll do if i can  
is go on britneys bus and get a tan  
they dance like they need a cure let's  
get the number of a choreographer  
they're so worried about what we'll think  
they took the time to learn to lip-sync

milli vanilli milli vanilli milli vanilli milli vanilli

I'm afraid of britney spears and christina aguilera  
I'm afraid of britney  
I'm afraid of britney spears and christina aguilera  
I'm afraid of britney  
I'm afraid of britney spears and christina

I'm afraid of britney spears and  
christina aguilera  
backstreet boy and nsync  
i don't know what to think

I'm afraid of britney spears and  
christina aguilera  
backstreet boy and nsync  
i don't know what to think

I'm afraid of britney spears and  
christina aguilera

backstreet boy and nsync  
i don't know what to think

I'm afraid of britney spears and  
christina aguilera  
backstreet boy and nsync  
i don't know what to think

ah woo (fade out
