"Slow Down"

Where did the time go?
I take some aspirin and I rent a video
Because I wanna slow down now
But I'm still with you
Because there's nothing else to do
And I don't know how to slow down now

I don't know where to go
I don't know what to try
All I wanna do it have some fun before I die
Nothing to complain about and no reason to cry

(Chorus)
I just forgot to slow down now
I gotta slow down now
You know I gotta slow down now
I gotta gotta slow down now

But I'm still with you
I'm 15 and I'm going on 22
I just forgot to slow down
I don't know where to go
I don't know what to try
All I wanna do is have some fun before I die
Nothing to complain about and no reason to cry

(Chorus)

Don't have to give it all away
You've lost it now what can I say
Life is much longer then one-day

(Chorus)
