First stop, hit the groove  
Let the music play  
Next stop, everybody  
It's time to celebrate

Here we go so let your flow show  
Make the dreams you got become real  
Let's do this. Let me hear you know  
Show mw how you feel

Lets start..start...start the party  
C'mon, c'mon everyone  
Let's...sta...sta...start the party  
What'cha waitin' for now  
Start...start...start the party  
C'mon, c'mon live it up  
Let's...sta...sta...start the party  
I know you're never gonna wanna stop

Stand up do the dance  
The way you do  
I...I can see all the crowd  
On the dance floor with this groove...oh  
Here we go so let your flow show  
Like you never did before  
Let's do this, let me hear you say  
More, more, more

Lets start..start...start the party  
C'mon, c'mon everyone  
Let's...sta...sta...start the party  
What'cha waitin' for now  
Start...start...start the party  
C'mon, c'mon live it up

I know you're never gonna wanna stop

Let the music take us... to paradise.  
Let's close our eyes  
Feel the groove wanna shake us  
Everywhere and everybody

Turn it up, let's start the party

We got it rollin', never slowin' down  
Lights camera action start the party now  
I know you're ready there's no need to wait-oh no  
Now's the time to celebrate

Start, start the party, everybody now  
Start, start the party, let's get to it
