It isn't fair
The way you smile.
It isn't right
Each time you pass me by.

I think I have found
Heaven on the ground
But I can't get close to you
Even when you're around me.
I will stay down
To be with you now,
Heaven on the ground.

It isn't nice
To tease a fool,
It isn't right
The way I lose my cool.

I think I have found
Heaven on the ground
But I can't get close to you
Even when you're around me.
I will stay down
To be with you now,
Heaven on the ground.

Oh, when I close my eyes
I can see you smile,
Holding you softly.
Love, we don't have to try
Living in the sky's
Only for dreaming.
'Til I am found, I'll be around.

I think I have found
Heaven on the ground
But I can't get close to you
Even when you're around me.
I will stay down
To be with you now,
Heaven on the ground.

I will stay down
To be with you now,
Heaven on the ground.
