Times may be trying our bindings
Hard days may steal half our smile
This world goes by in a hurry
Kind words are farther and few

Sometimes the going gets rocky
Somewhere in memories we share
There's still a sweet place I never will forget
I made a promise to you

I'll be on your side, when the times get thinner
I'm the one believin' it's true
I would bet my heart, you will be a winner
All my love I give to you

Though every kiss isn't thunder anymore
Still our river runs long and deep
When winter winds chill our old bones
You'll burn the home fire in me

Times may be trying our bindings
Kind words are farther and few
There's still a sweet place I never will forget
I made a promise to you

I'll be on your side, when the times get thinner
I'm the one believin' it's true
I would bet my heart, you will be a winner
All my love I give, all my love I give
All my love I give to you

All my love, all my love
