Well I wish that I could be someone else
Sometimes I understand that I'm not supposed to feel
like this
I should be happy inside
I'm trying
Honest I am
Look how busy I am but I might not learn how to fix it or
even change it

Well I might try opening up
Sometimes I can be angry inside
I'm fine
I'll do it myself like I've done it before and I won't need
anyone's help
I mean anyone's help but I might not learn how to fix it
or even change it
