Oh I can't explain it

Oh I guess it just the way it goes now

For I know no reason

For I know where I'm going

Don't come round here no more

Your not welcome here any more

From here on in, your on your own

So carry on just like before

And don't you think I wont

I've got no time for you

So don't come near me cause I just can't stand it

Now there's no room for you

For I know where I'm going

Don't come around here no more

Your not welcome here any more

From here on in, your on your own

So carry on just like before

And don't you think I wont

No, no, no, no

Oh I can't, explain it

Oh I guess it just the way it goes now

For I know, no reason

For I know where I'm going

Don't come round here no more

Your not welcome here any more

From here on in, your on your own

So carry on just like before

And don't you think I wont

Don't you think I wont

Don't you think I wont
