We've been waiting  
On the front line  
We've been prepared our entire lives  
For this day to arrive  
And no doubt this will be  
Part of our history  
We're making our move  
And we're breaking out of the grind  
Today, the new age  
We'll rise up  
State our case  
Throw it down  
And after the rain  
The only ones that still remain  
Are standing proud  
Separated from the crowd  
(How do we know? How do we know?)  
Turn on the light  
(How do we know? How do we know?)  
I need to decide  
(How do we know? How do we know?)

Because we may not

(How do we know? How do we know?)

Survive tonight

(How do we know? How do we know?)

But I'll take my chance

(How do we know? How do we know?)

Spare me the romance

(How do we know? How do we know?)

And we'll give it all

(How do we know? How do we know?)

That we can

New information

Coming down the line

But as far as I can tell

It's just the blind leading the blind

I've seen frustration

Written in the eyes

Of a disaffected race

Being born and robbed of their time

Today, the new age

We'll rise up

State our case

Throw it down

And after the rain

The only ones that still remain

Are standing proud

Separated from the crowd

(How do we know? How do we know?)

Turn on the light

(How do we know? How do we know?)

I need to decide

(How do we know? How do we know?)

Because we may not

(How do we know? How do we know?)

Survive tonight

(How do we know? How do we know?)

But I'll take my chance

(How do we know? How do we know?)

Spare me the romance

(How do we know? How do we know?)

And we'll give it all

(How do we know? How do we know?)

That we can

Today will be the last day

Tomorrow everything will change

(How do we know? How do we know?)

Turn on the light

(How do we know? How do we know?)

I need to decide

(How do we know? How do we know?)

Because we may not

(How do we know? How do we know?)

Survive tonight

(How do we know? How do we know?)

But I'll take my chance

(How do we know? How do we know?)

Spare me the romance

(How do we know? How do we know?)

And we'll give it all

(How do we know? How do we know?)

That we can

Today will be the last day

Tomorrow everything will change
