Will we ever get back home x 4
to the place, is it the same
as when we left has anything really changed
did they forget, if so, we'll never know
if we ever get back home

i can't see no way out
My time is running out
i feel im breaking down

hhmmmmmm
hhhmmmmmm

stop what your doing, get out ,get out ,come back
stop what your doing, get out ,get out come back ...
home

i can't see no way out
My time is running out
i feel im breaking down
will we ever get back home x 5

i can't see the way out now x 4
