One day, at a time
One way, it's a crime
Some day, maybe a nother day
Brain lesser are you
Ignorer are you
Brain lesser are you
Something more

Whoah Whoah

It's just not right
And while you wait
One more cell becomes an empty space, space, space

One day, at a time
One way, it's a crime
Some day, maybe a nother day
Brain lesser are you
Ignorer are you
Brain lesser are you
Something more

Whoah Whoah

It's just not right
And while you wait
One more cell becomes an empty space, space, space

Stuck in a cab
But no holiday
Trials begin
While they waste away

Brain lesser are you
Ignorer are you
Brain lesser are you
Something more

Whoah Whoah

It's just not right

And while you wait
One more cell becomes an empty space

Whoah Whoah

It's just not right
And while you wait
One more cell becomes an empty space, space, space
