She used to give me roses
I wish she could again
But that was on the outside
And things were different then.

We built our world together
With a love so clear and strong
But that was on the outside
Where did I go wrong?

On the inside the sun still shines
And the rain falls down
But the sun and rain are prisoners too
When the mornin' comes around.

Last night I dreamed we were together
Sharing all the love we've known
'Till I had to face the nightmare
Of wakin' up alone.

On the inside the sun still shines
And the rain falls down
But the sun and rain are prisoners too
When the mornin' comes around.

On the inside the sun still shines
And the rain falls down
But the sun and rain are prisoners too
When the mornin' comes around.

On the inside the roses grow
They don't mind the stony ground
But the roses are just prisoners too
When the mornin' comes around!
