Pirate stations in the harbour

Sending a message to the wireless

A warning to all tonight

There'll be no remorse tonight

The flag is burning as we speak

So when the lights go out

You'll hear them scream and shout

Riot on Broadway

Lights out on the town

Riot on Broadway

Anger burns the city - to the ground

Secrets told and fears revealed

Peace is cheap and a smile's a steal

So the world lost it's beat

The world lost it's feet

Passed by while everyone was sleeping

So when the lights go out

You'll hear them scream and shout

Chorus

Well we won't run anymore, won't run

We won't run anymore

But we'll scream and shout

Riot! Riot!

Chorus
