Standin' on a streetlight tryin' to get away

Guilty guilty I hear what you say

Countin' down the hours but I haven't got the time

The 23rd precinct jumpin' on the line on the line

And what I wanna know

Is will I get death row

Or is there a second solution

What I wanna say

Is will I die today

Or will I get...second solution

It was never meant to end this way

One shot violence I hear what you say

Standin' on the streetlight tryin' to get away

Guilty Guilty I hear what I say what I say

And what I wanna know

Is will I get death row

Or is there a second solution

What I wanna say

Is will I die today

Or will I get...second solution

Standin' on a streetlight tryin' to get away (hey)

Guilty guilty I hear what you say

Countin' down the hours but i haven't got the time

The 23rd precinct jumpin' on the line on the line

And what I wanna know

Is will I get death row

Or is there a second solution

What I wanna say

Is will I die today

Or will I get...

second solution second solution

second solution second solution

second solution second solution

second solution second solution

second solution second solution

second solution
