STARING AT THE LIGHT

Times up heading for a brighter light

The foreign waters put the fire out

No one ever asked you

Wasn't meant to end this way

To end this way

You're not alone now

You're closing in now

Staring at the light so easily denied

Staring at the light released before your time

Staring at the light look on the other side

You never knew why it wasn't up to you

Some may relish in the afterlife

Dancing slowly on the edge of a knife

Sipping wine of the poisonous kind

Overdose on loneliness

Have no fear now we're on the case

Beyond there lies a better place

Where knowledge ends and faith begins

A hell to stand by and a heaven within

Not alone now

You're closing in now

Chorus

You're not alone now

You're closing in now

Chorus

You never knew why it wasn't up to you, to you

Times are heading for a brighter light
