"All Homeboys Are Dickheads"

I know his dad's abusive
And his mum prefers the daughter;
I know he's got an attention
Deficiency disorder;
He is culturally excluded
And genetically inbred:
But the reason he's a homeboy
Is because he's a dickhead.

Tell me why?
Tell me why?
Tell me why... he's a homeboy?
Tell me why?
Tell me why?

We all support empowerment
And positive discrimination
When your class, your race, your age, your face
Determine your social station;
A baseball cap and a love of rap
Might need sympathy - but, still,
Possibly a homeboy could be
A dickhead pure and simple.

Tell me why?
Tell me why?
Tell me why... he's a homeboy?
Tell me why?
Tell me why?

In The Brothers Karamazov
Here's what Dostoyevsky said:
"Know your enemy well enough
And you will pity them instead"
Pity soon will turn to love
Is what Jesus Christ once knew.
They changed their minds the day when,
they met a homeboy crew.
