Was it God or the devil?  
Tell me, somebody.  
Who put Sophie Lee  
In Sophie Lee's body?

Is it better or worse? -  
I'll pay you some money -  
Is it better or worse  
When she tries to be funny?

Is it or isn't it  
My T.V. set squeaking?  
It surely can't be  
English she's speaking.

Who is who, damn it -  
Oh, tell me soon -  
Who is the human  
And who the cartoon?

It couldn't be, could it?  
Impossible, I feel -  
I heard Sophie Lee  
Is actually real.
