Howdy champ - you been pickin' the daisies?
Feelin' sort of morally lazy?
Ready to go mother fucking crazy?
Pleased to meet you - name's Marty Scorsese.

Why don't we go catch a movie?
Something light hearted and woozy
About the killing of a teenage floozy,
Or beating someone black and bloozy.

Got this mate called Robbie Di Nero;
Like him a lot, he's a goddamn hero -
Drop around there for a drink of beer- Oh,
You'll end up feelin' like zero.

Just when I feel my happiness startin'
I bump into this guy called Martin.
