My heart is heavy with the possibility
Of geopolitical instability
Can we count on the APHC
In mediation with New Delhi?
If Maaouya Sid Ahmed Ould is overthrown in a coup
It might destabilize Nouakchott
And what will the Hamas movement do?
If Abdel Anzis Rantisi is shot?

Gonna get off my face!

What chance for Hoshyar Zebari
To reconcile Kurds and Iraqis?
Is it enough for Aung San Suu Kyi
To play the role of Burma's Gandhi?

Got my disco biccies!
Gonna get off my face!

It's all about the music!
Gonna Smash my guitar!
Headbutt the kick drum!
It's all about the music!

Go the grope in the mosh!
Got my disco biccies!
Gonna get off my face!
