It takes a great person to get a idea  
But don't go public it'll ruin the plan  
Because no matter how clever and original you are  
You're only as good as your fans.

Peter Garrett chanting "Oils, Oils"  
Can you imagine it? I don't think you can  
But as a Mistral employee once told me  
You're only as good as your fans.

Each man kills the thing he loves:  
The fisherman caught in his own net.  
It's frightening that you deserve  
The audience that you get.

So the Beatles found out up with Helter Skelter  
And John Lennon saw it in Mr.Chapman  
And the Stones learnt from Gimme Shelter;  
You're only as good as your fans.

Yo! Fight the power, what did I say?  
All the girls say "YO"! all the boys say "YO"!  
Everybody say "YO"! Here comes the hamburgular!  
Elle McPherson is really a person,  
But don't tell the guy that buys the calendar.  
Jump! Monica! Jump! Monica! Jump! Monica! Jump!  
Monica!  
You can't get a laugh at of Stefi Graf  
If you tell that her friends are a bunch of backstabbers;  
Kurt Cobain couldn't deal with pain  
But at least he didn't score an own goal against  
Colombia.  
Yo! Impersonator X! Give it to me!

So maybe we shouldn't hate Collingwood  
Or blame religion on J.C.  
Or marvel at all the racist kids  
Who love Public Enemy.

Maybe Allah was a peace loving guy  
Maybe Elle really is more than a body

Maybe Oprah Winfrey is intelligent  
Maybe TISM know the word "irony".
