The world is full of questions, they fill me with fear -
What of our beginnings? Why are we here?
Is there a purpose? Is there a God?
But one question troubles me
Far more than this lot:

What nationality is Les Murray?
Wherefore hails his ancestry?
Whom does he call the mother country
When he phones home through OTC?

Everyone is searching for the meaning of life -
Religion and politics; black versus white.
Karl Marx played on the left; Ayn Rand played on the
right;
But there's a much bigger problem. It stops me
sleeping at night.

Les is more. more or Les.
Les is more, but one regret:
What is the origin of his descent?

Is he from Austria? Algeria? Bahrain?
Bangladesh or Barbados? Bulgaria? Cameroon?
Is he from Chad? Chile? China?
Germany? Greece? Great Britain?
Is he from Guatemala? Guam? or Guyana?
Les is more
Haiti? Burundi? Zimbabwe?
Kampuchea? North Korea? Tanzania?
Senegal? Paraguay? Trinidad? Tuvelau? Ecuador?
Uruguay?
Azerbaijan? Madagascar? Swaziland? Guadeloupe?
