GOLDEN EARRINGS

One day a gypsy showed me golden earrings

that he wished to sell.

They had that look of rare and olden earrings

and he swore they'd bring a magic spell.

There's a story, the gypsies know it's true,

that when your love wears golden earrings she belongs  
to you.

An old love story that's known to very few

but if you wear these golden earrings love will come to  
you.

By the burning fire they will glow with every coal.

You will hear desire whisper low inside your soul.

So be my gypsy, make love your guiding light

and let this pair of golden earrings cast their spell  
tonight.
