Glow Glow woa woa wa woa woa woa  
Glow Glow woa woa wa woa woa woa

The Lamp the lamp glows the lamp the lamp shows  
no intellengence  
no intellengence  
The lamp the lamp shines the lamp the lamp is mine  
this shows how much you know about the lamp that  
could not glow

Glow Glow woa woa wa woa wa woa  
Glow Glow woa woa wa woa wa woa

The lamp the lamp gleams the lamp the lamp seems  
like  
no intellengence  
no intellengence  
The lamp the lamp sees the lamp the lamp eats cheese  
this shows how much you know about the lamp that  
could not glow

Glow Glow woa woa wa woa wa woa  
Glow Glow woa woa wa woa wa woa

So go on your merry way  
but you must always remember this day  
the day you learned about the lamp the lamp that cloud  
not glow

WOA!!!
