### "Closer To You"

Visit "[Closer To You](#)" on [MotoLyrics.com](http://MotoLyrics.com)

It's pouring down like rain  
And dont deny it, hey baby  
And now it's started to flame  
\*Oh girl you've\* got me going insane in a good way  
Can't get you off of my brain  
\*Ain't that\* a shame  
If \*there's\* just one thing that i gotta do  
Is wrap my arms around you  
And hold you close and never let you go

Can I get closer?  
Can I get closer?  
Can I get closer?  
Closer to you

Now can i wipe away your tears,  
Wipe away your fears?  
Be the man the man that you need me to be, \*Ooh\*  
Can i get closer?  
Closer to you

Now lately I've been thinking bout her  
And i just dont understand, \*yeah\*  
How \*God\* can make a woman so beautiful  
So perfect for one man  
'Cause when I wake in the morning  
And i think about your face  
No one in this world could ever take your place  
\*God sent you to me and it's\* meant to be, \*baby, ohh\*

If there is just one thing that i gotta do  
Is wrap my arms around you  
And hold you close and never let you go, \*Oooh\*

Can i get closer?  
Can i get closer?  
Can i get closer?  
Closer to you

\*\*Now can i wipe away your tears,  
Wipe away your fears?

Be the man the man that you need me to be, \*Ooh\*  
Can i get closer?  
Closer to you\*\*

And now Im thinkin to myself whats goin on?  
'Cause it's too good to be true  
But then i remember there's a \*guide of missing you\*  
So this one's for you

\*So\* can i get closer?  
\*Oh\* can i get \*close to you baby\*?  
Can i get closer?  
Closer to you

Now can i wipe away your tears,  
Wipe away your fears?  
Be the man the man that you need me to be, \*Ooh\*  
Can i get closer?  
Closer to you

[Spoken]  
You're beautiful  
Ohhh oh....

I just wanna get close  
I just wanna get close to you  
I just wanna get close  
I just wanna get close to you  
\*\*Cause when we get close I feel something new  
I feel something new

I just wanna get close  
I just wanna get close to you  
I just wanna get close  
I just wanna get close to you  
Cause when we get close I feel something new  
I feel something new\*\*
