Sometimes she wants me harder, sometimes she
needs me weak
I'm jumping 'round in circles, never reaching the peak
Sometimes she loves me more, sometimes she loves
me less
I'd like to take her serious if my life wouldn't be a mess

I'm gonna be another man for you when I brought this
thing to an end
I'm gonna be another man for sure
I won't do the same mistake again, I've done it once,
that's ok
I will arrange my feelings today ...
