Every night in my dreams
I see you, I feel you
That is how I know you go on
Far across the
distance
and spaces between us
You have come to
show you go on
Near, Far,
wherever you are,
I believe that the heart does go on
Once more, you
opened the door
And you're here in my heart,
and my heart will go on and on
Love can touch us one
time
and last for a lifetime
And never let go till
we're gone
Love was when I loved you,
none true
time to hold on to
In my life we'll always go
on
Near, far, wherever you are,
I believe that
the heart does go on
Once more, you opened the
door
And you're here in my heart,
and my heart will
go on and on
You're here, there's nothing I
fear
And I know that my heart will go on
We'll stay,
forever this way
You are safe in my heart
and my
heart will go on and on.
