\*BEEP!\* "Information, may I help you please?"  
"Yeah I'd like the number of uhh, Harvey Wallbaner  
please?"  
"Uhh let me get you my superior"  
("More powerful..")

[Tony D]  
One-two, one-two, move over one-two  
Mic checkin and checkin and checkin and checkin for  
you  
Harvey Wallbanger's, back to bang walls  
Lastin for hours and never takin a pause  
Cause Harvey, that is his name  
And any other Harvey's just ain't the same  
Although it seems amusing ain't a damn thing funny  
So get that smirk off your face, money  
And let's simply take a ride on the wild side  
And bust our ass on the rawhide  
Sex packets? I don't need to try these  
Cause Harvey's in there for the 90's  
With the quickness, speed, and agility  
Harvey - has the ability  
to reach the seventh letter of the alphabet  
So Troy Wonder - tell 'em who to get

[Chorus]  
Harvey (..)  
You gotta get Harvey (..)  
What's his name? His name is Harvey (..)  
You know what I'm talkin? Get Harvey (..)

[Tony D]  
Take off the hat this ain't no time for fashion  
Why? This is a time for passion  
Yes, another Harvey summer  
What? I'm cloggin pipes like a plumber  
This ain't the desert put away the cactus  
Harvey - never needed any practice  
He was born with the skill and technique  
Technic - since I'm on it let me speak  
about my DJ, Troy Wonder on the fader

with the quickness, teamed up with the fitness  
Now who in the world has a faster wrist  
Nobody tell 'em why Troy ("cause I've mastered this" -  
Rakim)  
Yes you heard it from the grapevine  
Get the hell off mine - cause it's Harvey time  
Barring further adieux, I must get the job done  
("Let's have some fun..") with Harvey

[Chorus]  
Harvey (..)  
(..)  
It's Harvey (..)  
(..)

[Tony D]  
There's a knock at the door, yo guess who's here  
Harvey? Nah, Jimmy the Queer  
And Jimmy's just a little squirt kind of a Pee Wee  
Herman  
Homeboy be like squirmin  
Loose like a Teenage Mutant Ninja Turtle  
I fit tight like a girdle  
And when I quote I float note for note  
So there's no need to ("CLEAR MY THROAT!")  
Cause Harvey's skill you could never measure  
So sit back relax and enjoy the pleasure  
Harvey stays stiffer to the break of dawn  
and goes ("on and on...")  
Flowin like a river, passin your liver  
Long enough to make your backbone shiver  
Goosebumps, make you feel like you're numb  
And it takes a long time 'til he says ("I'm comin!")

[Chorus]  
It's Harvey (..)  
It's Harvey (..)  
It's Harvey (..)  
Harvey (..)

[Tony D]  
Now when it's time to stroke ("GO!") Harvey ain't no  
joke ("GO!")  
Boxers get hot so you might see smoke ("GO!")  
but never burnin, cause I like to examine  
snatch, before I start rammin  
Harvey, the new shit for the summer  
Like neon, so put your pink on  
or your blue on, or even your red on  
Cause even in the dark I'm dead on.. target  
And I never miss ONCE!

I'm always hittin the cunts  
For the 90's, most definitely in there  
Freaks of the world beware..

[Chorus]

It's Harvey (..)  
It's Harvey (..) yeah you know what I'm sayin baby  
It's Harvey (..) you wanna get stanky? Yup  
It's Harvey (..) so get out your notes, your pad and  
pencil  
Cause this is the explanation

For the 90's, most definitely in there,  
y'knowhatl'msayin?  
The family, most definitely got, the big Harvey's  
y'knowhatl'msayin?  
Troy Wonder got the Harvey, (?) got the Harvey  
Ministers of Black got the Harvey  
Youknowhatl'msayin? [\*BLEEP\*] got the Harvey  
Poor Righteous Teachers most definitely got the  
Harvey  
So now you know what a Harvey is, I must say  
peace - and to anybody I forgot, Harvey - in there for  
the 90's
