You consider me the young apprentice
Caught between the Scylla and Charibdes.
Hypnotized by you if I should linger
Starring at the ring around your finger
I have only come here seeking knowledge
Things they wouldn't teach me of in college
I can see the destiny you sold
Turn into a shining band of hope
I'll be wrapped around your finger
I'll be wrapped around your finger
Nafostaveles is not your name
But I know what you're up to just the same
I will listen hard to your tuition
You will see it come to it's fruition
I'll be wrapped around your finger
I'll be wrapped around your finger
Devil and the deep blue see behind me
Vanish in the air you'll never find me
I will turn you face to alabaster
Then you'll find you're servant is your master
You'll be wrapped around my finger

You'll be wrapped around my finger

You'll be wrapped around my finger
