"Lord Breathe"

I found myself breathing heavily again.
I lost the love and life that burned within.
I stumbled past morality, and fell into insanity.
Without you Lord, I've lost my everything.
So breathe on me.

Where would I go, if I dont even know who I am,
or where I am?
What would I do, if I didnt love you and your
commands?

I found myself with a bottle, in my hand.
Searching myself only to find half a man.
So I let the bottle fall to the ground,
where the pain was lost and I was found.
So thank you Lord, for my everything.
Because you Breathe on me.

Where would I go, If i dont even know who I am,
or where I am?
What would I do, if I didnt love you and your
commands?

And I give all I am to the palm of your hands forever
more. Forever more.
This day I'll stand, a God fearing man at heaven's
door. At heaven's door.
