The sacred heart is bleeding
Go tell the Holy Ghost
That the junkie is still cheating
To get the thing he needs the most
Lady Luck has me covered
Keeping her watchful eyes over me
The lovers are discovered
The charge is first degree
Angel, she's a killer
Just flown in from the coast
Makes the hit, it's a winner
Leaves you dead as the post
Sally took to playing poker
The joker is her favorite card
The drunk he can't stay sober
He says it's much too hard
Meantime something seedy
Was happening across the hall
Somebody seemed to be groaning
You could hear it through the wall
The cops they came like lightning

The bullets flew astray

The noise it was frightening

The crook he got away
