Buffalo {repeat 16 times}

Buffalo Gal,

you've had your fun

Your button's undone

and the time's right for slaughter

Buffalo Gal

You're thirsty and there's no more water

Like the lamb on the altar

And it's sad to see you looking down and feeling blue

Try your best to get on up and see it through

In a while you might smile and see the sun

Oww, the day has begun

{Chorus}

And Buffalo Gal,

they're closing down the old dance hall

Ummm, Buffalo Gal,

what we gonna do now?

Buffalo Gal,

due to these circumstances

there's no more dances

Buffalo gal,

[Buffalo] all your chances of further romances

will have to be nil

'til I can get it sung

Is a shame your only claim to fame is Jessie James

You know his middle name

That's very strange

Stranger, you knew a friend called the Friendly Ranger

Oh, ya shared the danger

{repeat chorus}

Buffalo {repeat 16 times}

Buffalo Gal,

you must try a big step

You've got a big jump ahead

Buffalo gal,

the show left town

spreading sunshine all around

And it's bad to see ya, ooh, lookin' blue

Dry your eyes and I'll apologise for all the lies

Try a smile and in a while, just in a while

you'll be smiling through

Ooh, Buffalo Gal,

they're closin' down the old dance hall [Buffalo {repeat 10 times} Gal, Gal]

And Buffalo Gal,

oh, you look so good somehow [Buffalo {repeat 9

times} Gal]

Oh Buffalo Gal,

oh, that's such a pretty dress [Buffalo {repeat 8 times}
Gal]

Buffalo Gal,

the show left town [Buffalo {repeat 8 times} Gal, Gal]

Buffalo Gal,

take a picture

of Buffalo Gal [Buffalo {repeat 10 times
