Dear heart

I wish you could see that

Dear heart

You mean the world to me

Man with the broken heart filled with lead

Suffered and he fought for what he believed

The fighting is over now, the man is dead

A martyr for the cause

Man with the golden arm, his face gone pale

Taken too much junk, he's gone over the rail

Breathes out a sigh and his body wails

He's gonna land in trouble, land in jail

He'd give his life, give his everything

To reach that goal and take that last and final fling

But I guess it's just another story

In the greatest story ever told

Dear heart

I wish that you could see that

Dear heart

You mean the world to me
