Lynott)

If you want your freedom

There is nothing planned

If you really need him

I will understand

Please believe in love

I believe there is a God above

For love

And He's coming, yes He's coming

If you want to fly

Then fly away

All the cloudy skies

Belong to yesterday

Please believe in love

I believe there is a God above

For love

And He's coming, yes He's coming

In the shadows the swallow dies

No one knows the hobo hides

There is no need to apologize

This is the story of a downtown sundown

If you climb the mountain

You will see

There is no great distance

Between the Lord and me

Please believe in love

I believe there is a God above

For love

And He's coming, yes He's coming

In the shadows a swallow dies

No one knows the hobo hides

There is no need to apologize

This is the story of a downtown sundown
