I'm gonna creep up on you

I'm gonna creep up on you

I'm gonna creep up on you

I'm gonna gonna

The writing on the wall showed the scandal

Pointed out the victim of the vandal

The lady was upset by the angle

Scratch your back and hot to handle

I'm gonna creep up on you

I'm gonna creep up on you

I'm gonna creep up on you

I'm gonna gonna

You're sly, you're slick, you're sleek, you're
outstanding

My legs are weak, my heart, it beats, it's pounding

Soon you're gonna weep in your sleepless surrounding

'Cause I'm the one taking you down for grounding

I'm gonna creep up on you

I'm gonna creep up on you

I'm gonna creep up on you

I'm gonna gonna

Little lady let me take a little bit of your love
