Little Darling (Lynott)

Little darling, gonna be a rock and roll star

Little darling, gonna play electric guitar

Little darling, I'd like to get to know you

Pleased to meet you, how do you do?

Little darling

Little darling

Little darling

Little darling

Little darling, gonna love you tonight

Little darling, gonna shake, shake, boogaloo

Little darling, can I rattle my bones and dance with
you?

And later on there'll be some lovie dovin'

A little kissing

A little hugging

A little holding you

Little darling, what's your mama mama going to do?

Little darling, when she finds out I stayed out all night
with you?

Little darling, I'm gonna miss kissing you

Little darling, I'm gonna miss kissing you

Little darling

Little darling

Little darling

Little darling

Little darling, gonna love you tonight
