They say that the night life
They say it ain't no good life
But it's my life
I've been a gambler
I've been a thief
And most of my good friends
They don't hold with my belief
They say that the night life
They say it ain't no good life
Oh but buy you know that it's my life
And if you've had troubles
If you've felt them woes
I don't have to tell you
How this whole world is so low
Hey now baby
It can drive you crazy
Oh but baby
Baby, the night life's for me
Just one more time
I'll hit the road

And I want to thank you

I want to thank the Lord

For that old night life

Some say it ain't no good life

But baby, baby

There ain't nothing like this night life
