"Running Back"

I'm a fool now that it's over
can you guess my name
I make money singin' songs about you
it's my claim to fame
When they say it's over
it's not over, there's still the pain
And I'd come runnin'
I'd come running back to you again
Oh I'd come runnin'
I'd come running back to you again
If I said I was sorry
would you still have leaved me?
I never thought you would go
'till you did
believe me
When they say it's over
it's not over completely
'Cause I'd come runnin'
I'd come running back to you again
Yes I'd come runnin'

I'd come running back to you again

I miss that girl

The show is over, and we must all go home

just leave me by myself

I'll be alright here on my own

If it's all over, it's all over

and I'm all alone

And I'd come runnin'

I'd come running back to you again

Don't you know I'd come runnin'

I'd come running back to you again

Oh my my my my my my my my my my my my my my my my
my my

Oh tra la la la la la la la la la la la la

Oh na na na na na na na na na
