Johnny Cool was the king

The leader of the boot boys

He'd never cause no trouble

In a rumble make some noise He heard about some
chick

And they she like to rock

He said "Come here honey"

"Let me see you lift up your frock" There's gonna be a
showdown Miss Lucy was a

chick

He knew she like to ball

He said "Come on Lucy"

"It doesn't matter to me at all" But Miss Lucy got a fella

With a flick knife in his hand

Johnny Cool pulls a shotgun

The man is in comma nd There's gonna be a showdown
King Cool

King Kong

King King

With all the kings King of hearts he's a lover

King of spades he's a brother

King of clubs makes a dollar

King of diamonds the wedding ring There's gonna be a
showdown
