-----

I should've known you couldn't take it  
You had to make it with another man  
You know that's true baby  
And I can play that game if you can  
It's been a long time since I've come here  
To give you what you need  
My roots are in Chicago  
But I know where I want to plant my seed  
I bet a silver dollar you'd love another  
And you know that silver dollar, it would make me rich  
Girl like you, easy pitch  
But I miss you now you're gone  
I'm coming home girl just to show you  
What's this man's been living for  
A tip for you, don't be surprised baby  
When I come busting through that door  
I bet a silver dollar you'd love another  
And even though that silver dollar would make me rich  
I want to tell you that there is a hitch  
I miss you know you're gone

And all I got left is my old guitar
