Guess who just got back today  
Them wildout boys, that'd been away  
Haven't changed, had much to say  
But man I still think them cats are great  
They were asking if you were around  
How you was, where you could be found  
Told them you were living downtown  
Driving all the old men crazy  
The Boys are back in town (The boys are back in town)  
(I Said) The boys are back in town  
The boys are back in town  
The boys are back in town (The boys are back in town)  
The boys are back in town (The boys are back in town)  
You know that chic who used to dance a lot?  
Every night she'd be on the floor, shaken what she got  
Man when I tell you she was cool she was red hot  
I mean she was steamin'  
And that time over at Johnny's place  
When this chic got up and slapped Johnny's face  
Man we just fell about the place  
What that chic don't wanna know forget 'er

The boys are back in town (The boys are back in town)

(I said) The boys are back in town

The boys are back in town

The boys are back in town (The boys are back in town)

The boys are back in town (The boys are back in town)

Spread the word around

Guess who's back in town

You spread the word around

Friday night they'll be dressed to kill

Down at Dino's bar and grill

The drinks will flow and blood would spill

If the boys wanna fight you better let 'em

That kid rocks down at the corner blasting out my  
favourite song

The nights are getting warmer and won't be long

Wont be long till the summer comes

Now that the boys are here again

The boys are back in town (the boys are back in town)

The boys are back in town (the boys are back in town)

The boys are back in town (the boys are back in town)

(Spread the word around)

The boys are back in town (The boys are back in town)

(The boys are back, the boys are back)

The boys are back in town again

They're hanging out at Dino's

The boys are back in town again
