I am your main man if you're looking for trouble

I'll take no lip 'cause no ones tougher than me

If I kicked your face you'd soon be seeing double

Hey little girl, keep your hands off me 'cause I'm a
rocker

I love to rock and roll

I get my records from the Rock On stall

Sweet rock and roll

Teddy boy, he's got them all

Down at the juke joint me and the boys were stompin'

Bippin' an a boppin', telling a dirty joke or two

In walked this chick and I knew she was up to
something

I kissed her right there out of the blue

I said "Hey baby, meet me I'm a tough guy"

Got my cycle outside, you wanna try?

She just looked at me and rolled them big eyes

And said "Ooh I'd do anything for you 'cause you're a
rocker"

That's right I'm a rocker

I love to rock and roll

I get my records from the Rock On stall

Sweet rock and roll

Teddy boy, he's got them all
