I've got to find an occupation

I've got to get myself employed

It's a bad situation

My brain was destroyed

I've got to find a new vocation

I feel it burning down inside

Such a low down abrasion hurt inside

That's why I lost some pride

I hear it, I know it, I touch it, I feel it, I see it

So dead I will be gone

I can feel it in my bones

This is the one

I've got a bad situation

I can feel it feeling up inside

Got a certain reputation

Outside outside

I've got lover situation

I can feel it building to my soul

Helpless, helpless situation

I feel it in my soul
