----

Wild one won't you please come home

You've been away too long, will you

We need you home, we need you near

Come back wild one will you

How can we live without your love

You know that could kill you

How can we carry on

When you are gone my wild one

So you go your way wild one

I'll try and follow

And if you change your mind

I will be waiting here for you tomorrow

For I would beg for you

I would steal and I would borrow

I'd do anything, anything at all

To end this sorrow

Wild one

The gypsies warned of the danger

You can laugh and joke with friends

But don't you ever talk to strangers

Although their offers may be sweet

And I'd bet and I would wager

Away you'll stray and never come back

To those who love and made you
