The ship was sinking; we were drinking, singing one  
last song,  
Casting our gold into the ocean.  
You grabbed a bucket, started screaming, "Come on,  
come on",  
Lets try and slow the downward motion.  
Back in the kingdom, we were kings and queens and  
Oh, so strong  
That God himself could not contain us.  
We never thought we'd be the shorter half of sword  
and gun.  
Now god himself could never save us.

Waves of silver, waves of gold  
Are coming down to take me,  
And separate my body from my soul  
And Jesus leaves or takes me.  
Hopes of heaven, fears of hell  
And what's the chance I'll make it.  
When my other plans have failed,  
And i tried so hard to faked it.

We started sinking, drinking water from the open sea  
Losing our bodies to the ocean.  
You grabbed my hand and started screaming, "rescue  
me"  
Lets try and slow the downward motion.  
Back in the kingdom we were kings and queens and  
Oh, so strong  
That god himself just had to show us.  
We never thought we'd see the colder side of land and  
sea  
But he's the only one who knows us.

Waves of silver, waves of gold  
Are coming down to take me,  
Separate my body from my soul  
And Jesus either leaves or takes me.  
Hopes of heaven, fears of hell  
And what's the chance I'll make it.  
When all my other plans have failed,

And I tried so hard to faked it.
