"Where Are You Now?"

You were the love of my life
all of the time
The diamond rings and other things
that would be your line
Material things don't buy me
i just want your love
Can't you see what's bothering me
don't turn your back on love

Where are you now?
Where are you now?
Why did you have to leave
now im all alone

You promised you'd always love me
And never change

Tu dinero no puede comprar me
prefiero amor
No puede ser que me hables asi
Donde esta tu corazon?

Where are you now?
Where are you now?
Why did you have to leave
now im all alone

Where are you now?(where are you now?)
Where are you now?(why did u have to leave me baby?)
Why did you have to leave
now im all alone (im all alone)

Where are you now?(where are you now?)
Where are you now?(why did u have to leave me baby?)
Why did you have to leave
now im all alone (im all alone)
