Uh huh
Oh yeah, oh yeah
Once out of love there's no way back in
We made love out of nothin'
And give it a minute
Give me anything
Cause what's sliding out of something
Uh huh
Oh yeah, oh yeah
Once it's growing you will wonder how
Your heart it started beatin'
Well 'lest it's over
You'll do anything
Walk through fire for the feeling
And honey
We made love from nothin'
We just let it in and closed the door
And turned a little love it into somethin'
We was drinking sweetness of the floor
And made love out of nothin for somethin' more
Oh yeah, oh yeah
Oh yeah, oh yeah
Once out of love there's no way back in
I was taking you from no one
I wanna surprise maybe a compromise
Let me once stay in this town
And honey
We made love from nothin'
We just let it in and closed the door
And turned a little love into somethin'
We was drinking sweetness of the floor
And made love out of nothin for somethin' more
(Love love love) out of nothing
(Love love love) out of nothing
(Love love love) out of nothing
(Love love love) out of nothing
(Love love love) out of nothing
(Love love love) out of nothing
And honey
We made love from nothin'
We just let it in and closed the door

And turned a little love into somethin'
We was drinking sweetness off the floor
Cause we made love from nothin'
Cause we made love from nothin'
Making love out of nothing' for something more
Making love out of nothing' forever more
