Play with it while you have hands  
Dust settles, cities turn to sand

Trespassing this is their land  
Time flies, make a statement, take a stand

Come along now  
Come along with me  
Come along now  
Come along and you'll see  
What it's like to be free

Come along  
Come along with me  
Come along now  
Come along and you'll see what it's like to be free

Come along now  
Come along with me  
And I'll ease your pain  
Come along  
Come along with me  
And let's seize this day  
Come along, come along with me  
Oh, come along with me

Stay out stay clear but stay close  
Friends, foes, God only knows  
Let's be the thorn on the rose  
Time flies, make a statement, strike a pose

Come along now  
Come along with me  
Come along now  
Come along and you'll see  
What it's like to be free

Come along  
Come along with me  
Come along now  
Come along and you'll see what it's like to be free

Come along now  
Come along with me  
And I'll ease your pain  
Come along  
Come along with me  
And let's seize this day  
Oh, Come along with me

Time flies, make a statement, take a stand ( x3 )  
Time flies, take your chance
