Intro: Marc Dorsey (LL Cool J)

This is for my newborn, this is for my newborn (Yeah, uh!)

This is for my newborn, true meanin for I adore (Uh!)

Verse 1: LL Cool J

This is hard to say, I wanna make sure I go about this in the right way

Cause lately I been busy alot

And I know you don't feel appreciated and what not

I use to tell you that your hair look fly

Kiss you slow and stare in your eyes

Now I talk real foul and slick

Every other sentence is you make me sick

Back in the days I was your number one pick

Now your heart's half broken and that's hard to fix

I had to dig deep inside myself

Cause I can't see you bouncin with somebody else

It's a long journey back to the place we was

When I was too embarassed to admit I was in love

And you was a good girl that wouldn't give it up

I can't let her self destruct, uh uh

Chorus: Marc Dorsey

Baby smile today, cause I been imagine the wrong ways

I'm gonna luv u better

And your friends will see it too

Just when you think there's nothin else I can do

I'm gonna luv u better

Verse 2: LL Cool J

When I think about the things we did

And I think about you havin my kids

And I think about us sharin a crib, losin all that God forbid

You deserve flowers and candy the simple things

In addition to the SL's, baguettes and rings

Instead I walk around line I'm a king

And havin you ain't nothin but a thing (Only A thing)

I need to stop tellin you the lovin was good

Too busy frontin in the hood
Baby girl, hold me tight don't ever let go
I'm a do it real gentle baby nice and slow
One more chance baby and don't say no
Cause I got another side to show
Some say love is painful it helps you grow
Well it's time for the pain to go you know

Chorus: Marc Dorsey

Baby smile today, cause I been imagine the wrong
ways
I'm gonna luv u better
And your friends will see it too
Just when you think there's nothin else I can do
I'm gonna luv you better

Bridge: LL Cool J (Marc Dorsey)

Do you think I meant to hurt you? (No)
Do you think I meant to hurt you? (No)
So let's, laugh together cry together
God willing we gon die together
Do you think I meant to hurt you? (No)
Do you think I meant to hurt you? (No)
So let's, laugh together cry together
God willing we gon die together

Verse 3: LL Cool J

This a brand new me, a brand new you
A brand new day, sky so blue
Hold my hand while I walk with you
Sit on my lap let me talk to you
No more games callin you foul names
Actin like females is all the same
I'm gon love you better my mentality changed
From this day forward I'll never be the same
I'm a rub your lower back, share my dreams
I love you let me show you what I mean
Give you the deepest love a girl ever seen
Watch you sleep so peaceful and serene
A toast to the queen your back in my life
But this time I'm a do it right
Trust me, from the bottom of my heart
Nothin's gonna tear us apart I promise

Chorus: Marc Dorsey

Baby smile today, cause I been imagine the wrong
ways
I'm gonna luv you better
And your friends will see it too
Just when you think there's nothin else I can do
I'm gonna luv u better

Baby smile today, cause I been imagine the wrong
ways
I'm gonna luv u better
And your friends will see it too
Just when you think there's nothin else I can do
I'm gonna luv u better
