Back in the days there was this hoe, I knew before I had cash  
Down ???, brown skin, big titties, fat ass  
Until one day, I really started buggin this shit  
Niggaz was like F, how could you fall in love with this bitch  
To come to find out, this shorty was a shistie hoe.  
She had a nigga really diggin, she was wifey dough  
Find way outta line, with a mine, I was mad wishes  
I never had riches, so she listen to dem crab bitches  
And sometimes I think she only fucked with me  
Cause of the way I suck titties and never bust nutz quickly,  
Not at all thinkin weed smokin and alkohol drinkin  
If honeys lonely, thats probaly cause she money hungry.

[Chorus]

Bitches ain't nuthin but problems,  
can't live with em, can't live without em  
It's from a spirit, so when you hear these lyrics to sing  
Nowadays these honeys all about material thingz  
Bitches ain't nuthin but problems,  
can't live with em, can't live without em  
But I'ma deal with it and be real with it  
and if your ex give you ass, use to still hit it

Now you wanna take the time and speak to me  
Cause I be rhymin and shynin, freakwently  
Fake niggaz poppin most, sayin peace to me  
These high prize hoes ain't seen at least da g  
You ain't the same dime peace dat I used to love  
Sniffin coke, doin drugz, Gufflin ??? with thugz  
Fuck a bitch, but this snake shit gotta be known  
Plus I couldn't leave the ??? of a body alone  
I used to try to be nice and never lie to hoes  
Now I keep dem bitches thinkin I'ma buy dem clothes  
Bustin nutz, if not on ??? faces, and ??? places  
Like bedroom floors, horse and stair cases  
You was the only one that I was close to  
Now act like I ain't suppoedt to

violate and expose you, violate and expose you

[Chorus]

Don't get me wrong, I don't hate women and all  
But I do hate the fact, is dat ??? ya'll  
And to you chickenhead bitches I remember when ya'll  
Used to had me set trippin, now I never could fall  
You could hear that the pussy is da bomb and strong  
But I swear on my tear put 2 condoms on  
Life is like hell, so I gotta fight this world  
No time for hookas, I'm lookin for a righteous girl  
It's from the spirit, so when you hear the lyrics to sing  
Nowadays these honeys, all about metarial thingz  
You got to be a big willy, over ??? thug  
Have mad gold chains, or you getz no love  
But I'ma deal with it, and be real with it  
And if my ex gimmie ass I'ma still hit it  
Because, bitches ain't nuthin but problems

[Chorus] - 2x
