As I walk through the valley where I harvest my grain
I take look at my wife and realize she's very plain
But that's just perfect for an Amish like me
You know I shun fancy things like electricty
At 4:30 in the morning I'm milking cows,
Jebediah feeds the chickens and Jacob plows...fool!
And I've been milkin' and plowin' so long that
Even Ezekiel thinks that my mind is gone.
I'm a man of the land I'm into discipline
Got my Bible in my hand and a beard on my chin.
But if I finish all my chores and you finish thine
Then tonight we're gonna party like it's 1699.

CHORUS-

We've been spending most our lives living in an Amish
Paradise
I've churned butter once or twice living in an Amish
Paradise
It's hard work and sarifice living in an Amish paradise
We sell quilts at discount price living in an Amish
Paradise

A local boy kicked me in the butt last week
I just smiled at him and I turned the other cheek,
I really don't care, in fact I wish him well
'cause I'll be laughing my head off when he's burning
in Hell.
But I ain't never punched a tourist even if he deserved
it,
An Amish with a 'tude you know that's unheard of.
I never wear buttons but I got a cool hat
And my homies agree I really look good in black...fool!
If you come to visit you'll be bored to tears
We haven't even paid the phone bill in 300 years.
But we ain't really quaint so please don't point and
stare,
We're just technologically impared.

There's no phones no lights no motor cars not a single
luxury
Like Robinson carusoe we're as primitive as can be.

CHORUS-

We've been spending most our lives living in an Amish Paradise.

We're just plain and simple guys living in an Amish Paradise

There's no time for sin and vice living in an Amish Paradise.

We don't fight we all play nice living in an Amish Paradise.

Hitchin' up the buggy, churnin' lots of butter, raise a barn on Monday,

Soon I'll raise another.

Think you're really righteous, think you're pure in heart

Well I know I'm a million times as humble as thou art.

I'm the pious guy the little Amlets wanna be like

On my knees day and night scorin' points for the afterlife.

So don't be vain and don't be whiny or else my brother I might have to get medieval on your heiny

CHORUS-

We've been spending most our lives living in an Amish Paradise

We're all crazy Mennonites living in an Amish Paradise

There's no cops or traffic lights living in an Amish Paradise

But you'd probably think it bites living in an Amish Paradise.
