Sometimes I feel

Like I need a vacation

Sometimes I feel

Like I wanna go

To the city of cavemen

The city of Bedrock

I'd be a Flintstone

Now I'll tell you why...

Well, I've got I've got a woman named Wilma

Well, I've got I've got a baby named Pebbles

Well, I've got I've got a doggy named Dino

We do a little bowling and we drink a little vino

Well, I've got a little buddy, Barney Rubble

Got a neighbor by the name of Barney Rubble

He's a midget but he makes a lot of trouble

Doesn't like to shave, he got caveman stubble

Me and Barney, Loyal Order Water Buffalo

Lodge brothers, Loyal Order Water Buffalo

There's handshake everybody gotta know

How come Grand Poo-Bah always gotta run the whole
show?

Yabba dabba, yabba dabba dabba do now

Yabba dabba, yabba dabba dabba do now

Yabba dabba, yabba dabba dabba do now

I get by on all my prehistoric knowhow

Betty and Barney got a baby named Bamm-Bamm

Little Pebbles is his number one fan

He's the strongest toddler in the whole land

Tear your arm off if he shakes your hand

Got a car, gonna push it with my feet now

Gonna take my family out to eat now

Jumbo ribs at the drive-in can't be beat now

Made from brontosaurus, baby, not moo-cow

Wanna chill with a sabertooth tiger

Wear a loincloth, natural fiber

Be the first Rolling Stone subscriber

Got a pterodactyl for a windshield wiper

Yabba dabba, yabba dabba dabba do now

Yabba dabba, yabba dabba dabba do now

Yabba dabba, yabba dabba dabba do now
Don't know what it means but I say it anyhow
Lucky me, workin' down in the gravel-pit
Movin' rocks on a big dinosaur I sit
Mr. Slate gets mad and he throws a fit
Pull the birdie's tail, everybody knows it's time to quit
I realize I'm living in the Stone Age
No fax, no cellular phone-age
Pick my teeth with a dinosaur bone-age
Liftin' heavy boulders every day for my wage
Barney Rubble, laughin' like a hyena
Barney Rubble, what a little wiener
Where's Wilma? Anybody seen her?
Got a baby elephant vacuum cleaner
Yabba dabba, yabba dabba dabba do now
Yabba dabba, yabba dabba dabba do now
Yabba dabba, yabba dabba dabba do now
Yabba dabba, yabba dabba dabba do now
